

ZANTE (Zakynthos)

Exploring our beautiful island

Zakynthos is a pretty Venetian style town with many shops, a long sea front and large harbour. There is a small marina too, with everything from sailing boats to luxury liners, especially in August when we have the festival of the island's Patron Saint Aghios Dionysios (Saint Dennis) & also The Festival of the Virgin Mary.

Above the town, the old Venetian fortress at Bochali has panoramic views of the town below, and across to the Peleponise mountains on the mainland. Bochali is a must see place to visit in the evening with a good selection of bars, restaurants and ice-cream cafés.

From Aghia Triada (the suburb where our apartments are situated), you can reach the busy resorts of Argassi and Tsilivi by bus, just 10 and 20 minutes respectively.

If you wish to hire a car you can visit the rest of this amazing island very easily as it is only about 37 miles long.

The north is hilly, and the rugged west coast enjoys some lovely sunsets - especially at Kampi and Keri.

Home from Home Greek Holiday Apartments to let

For a true Greek holiday experience, **ZANTE HOUSE APARTMENTS** are situated just one street back from the azure sea of Zakynthos and enjoy beautiful coastal and hillside views.

They are all fully equipped for an independent "get away from the crowds" type of holiday.

There is a pebble beach and sun bathing area with sun beds and beach bar 100 metres from your front door, plus an open air cinema too!

Zakynthos town boasts an abundance of Greek and sea food restaurants. Our favourite is just 10 minutes walk from our apartments - the *Prassine Varka (Green Boat)*.

This has direct access to the sea, so day or night you can have a dip whilst your food is cooking, then dine and relax by the water - "it's absolute Heaven!"

Alternatively, a 10 minute walk in the opposite direction brings you to the centre of town with its numerous shops, pretty squares, bars, cafés and affordable, family friendly restaurants.
